The South African Sheriffs' Guide: Practice and Procedure

Commissioned by the South African Board for Sheriffs, *The South African Sheriffs' Guide: Practice and Procedure* is an invaluable and definitive text that Sheriffs, members of the legal profession, researchers, as well as members of the public can refer to when seeking information about the work and methodology of the Sheriffs' profession. The *Guide* is intended to assist Sheriffs in their quest to serve the profession with distinction.

The South African Sheriffs' Guide: Practice and Procedure has been crafted in a manner which takes cognisance of the needs and preferences of the modern reader in terms of layout and writing style. Care has been taken to ensure that it is an easy to access and easy to understand reference guide.

Aside from its discussions on substantive and adjectival law, the *Guide* binds the Sheriffs' profession to the constitutional value system, good practices and ethics – principles that are critical to the South African Board for Sheriffs.
